### \* Colorful Striped USB Tape Dispenser

Wed, 02/21/2007 - 9:00am by [GeekSugar](#)

Anyone who has a desk gadget like this deserves a coolest cat in the office award. This tape dispenser/USB hub by Earth Trek is a secretary's dream- providing easy access to scotch tape and three movable USB ports. Yes folks, this means that you will have three extra ports for all your wacky USB accessories like the [USB desktop tanning center](#).

These dispensers come in a variety of colors so you can match one to your workspace or use it to add some pizzazz to your desk. The other available colors are shown below.

SWEET AD:

yumsugar

Okay, I'm guilty of having four designer laptop bags and way too many iPod accessories, but hey, geek is totally chic.
