# Earth Trek launches curious all-in-one mobile stand

by [Darren Murph](#), posted Jun 3rd 2008 at 12:04AM

Frustrated by the lack of a proper dock in your new cellphone's packaging? Fret not, as Hong Kong's [Earth Trek](#) has your best interests in mind. The all-in-one Mobile Stand enables your phone's LCD to be easily viewable while you're ~~trapped~~ toiling away in your cubicle, and it also triples as a USB hub / charger and multiscard reader. There has yet to be a peep made concerning the price, but we are told to expect it in black and white motifs.

i liked the 'box idea', but this is more practical.  
btu what phone is that?
