USB Hub cum Mobile Stand cum Card Reader cum Charger from Earth Trek

Posted on June 3rd, 2008 | Filed under: [Accessories](#)

Earth Trek from Hong Kong has brought another gadget into the world of mobile phones making the lives of handset users simpler and detangled. The Earth Trek mobile phone stand can also be used as a [Card](#) reader and a [USB hub](#) as well. And, it can also charge your phone.

The device is compatible with the cards in the formats of T-flash/Micro SD /Mini SD /MMC plus /RS-MMC/MMC mobile/MS /MS Pro /MS Duo /MS Pro Duo.

It is available in two colors - black and white. Further information and pricing has not been given out.

Now by the looks of it, it does look like a simple smart gadget, that can help you out during a trip and also look good on your desk, but how does it hold the phone? Of course, there cannot be a magnet. Chewing gum? Naah! Well, sorry, you will have to check it out for yourselves.

You can skip to the end and leave a response. Pinging is currently not allowed.
