Hong Kong's Earth Trek has introduced a new type of stand for users' mobile phones. This new stand design combines a USB hub, card reader, mobile charger and mobile stand into a new 4-in-1 device that is universal.

The card reader on the stand supports the following memory cards:

- o T-flash
- o Micro SD
- o Mini SD /MMC
- o RS-MMC/MMC mobile
- o MS /MS Pro
- o MS Duo /MS Pro Duo
